

PORTABLE GOALS TP SPORT

REF. BMTRS012

DESCRIPTION

TP SPORT portable Goal set for the handball and indoor football practice with regulatory measures 3x2 meters and produced as per norm UNE EN749:2004.

With square rear fixings to attach the net and which make it self-stable. The frame and the vertical posts are joined through reinforced screwed squares which provides rigidity and robustness. Supplied with hooks made of high-density polypropylene, anti-injury and rounded. The hooks are placed so the net does not come out.

The frame and the posts are painted in red and white.

GENERAL OUTLINE OF THE GOAL
